Vietnam Veterans honoured

VIETNAM Veterans' Day is commemorated in Australia on August 18 each year.

On this day, veterans and the public reflect on the Vietnam War conflict in which over 60,000 served and over 500 lost their lives.

Last Sunday at the Vietnam War Memorial in Set-

ters Park, Bowral, a small gathering of veterans and partners assembled to commemorate VV Day 2020.

It was a bitterly cold, windy morning and Covid-19 health requirements restricted attendance to key representatives.

Whilst Pipe Major Chris

Tabram of the Highland Pipes and Drums piped a lament, local RSL Sub-Branches, Legacy, veterans and Mayor Duncan Gair laid tributes on the memorial.
